We knocked that nigga off
And then got back in the grind

And then we slide again

Hills with it
'Til I die
I think I'll die in Hills

More souls
Ain't felt a thing

My niggas talkin' about family
But it was day and night
I catch some family talkin'
They got circumcised

They killed my nigga K

Got me out here bustin'
Green lights
That mean that's right away

I'm out the trenches
With my Niggas
We gonna find a way
That chopper hit him
With some combination
You can't find the safe

We let that iron spray
The streets will get 'em stretched
We laid that nigga down
When we crept out

When it's time to catch a body
We gonna fetch him out
Hit him with a brand new 240
Just to test it out

You know I'm rockin'
With my brothers
Like a muthafucka
